About

I am Gosaye Woyo Woticha, an ambitious Electrical and Computer Engineer specializing in Computer Engineering, set to graduate from AASTU in 2025. With a strong foundation in software development and problem-solving, I excel in Python programming, database management, and full-stack development. I am passionate about leveraging technology to solve real-world challenges, focusing on delivering innovative, efficient, and high-quality solutions. My dedication to excellence and consistent results reflects my commitment to professional growth and impactful contributions in the engineering field.

Education

Bachelor
Electrical and Computer Engineering
Addis Ababa Science and Technology University

Jun 2025
Graduation date

GPA: 3.68

Work experience

Aug 2024 - Sep 2024
1 month
software developement
ASTU

During my summer internship at AASTU, I worked in web development, applying my skills to create and improve web-based applications. This hands-on experience enhanced my problem-solving abilities and teamwork while delivering efficient software solutions.

Additional Skills

web app developement, erd design
